BBC Ministries

Junior Helper Guidelines & Policies

Who are junior helpers? Anyone 5th grade & up, goes to the training and gets permission from their parents.

What do Junior Helpers do?

1. Get on the schedule.
2. Show up at 10:15 AM
3. Help the teacher in charge with whatever they ask.
4. Help the little kids in the class.
5. Help put the room back together after class is done.

What Junior Helpers aren't?

1. In charge. The adult in the room is in charge.
2. There to hang with friends. Your help is very important. We need you to focus on helping our little kids.
3. No shows. If you can't make your shift you need to trade dates or find a sub.

I, _____ have read the above information. I understand it and will follow it.
